The Spirit's paint scheme is symbolic of Air Force Silver and the blue stripe is a reflection of the former Strategic Air Command's "nose sash". The lettering inside the sash is the original hand drawn font used on the B-17. It is followed by the Coast Guard's "Racing Stripe" and the Navy's Battleship Gray, which frames Union Pacific's traditional American flag. The military camouflage is a nod to the Army and Marines. Also included is a dedication to U.S. prisoners of war and those missing in action, featuring the POW/MIA symbol and its motto, You Are Not Forgotten. These 100% Lionel made and decorated cars are molded, decorated, and assembled in the USA. The cars feature die-cast metal trucks. To order online go to www.METCA.org
