

Lionel Conrail Fruit Growers Box Car

Metropolitan Division TCA

Prototype Artwork Shown
actual graphics may vary

Prototypically Correct - brown door on one side and yellow door on the other; just like the real life car!

METCA is excited to offer this unique Lionel 6464 sized box car. The Conrail Box Car (1901370) exhibits the unique FGE scheme and matches the real life car with a brown door on one side and a yellow door on the other side. This car was dedicated to exclusive Fruit Growers Express service. The car is Made in USA by Lionel. Car features die-cast trucks, metal frame and brake wheel. You can also order online and pay with your credit card or PayPal. Go to www.METCA.org Order now; these are already in stock for immediate delivery. Quantity limited to stock on hand.

First Come, First Served. **Available exclusively from METCA Division.**

First Come-First Served. **Only limited quantities will be made.** Order early, avoid disappointment.

All checks or money orders must be in U.S. funds. **Make checks payable to METCA.**
