In 1898, William Entenmann opened a bakery in Brooklyn, New York. Traveling by horse-drawn buggy, he delivered bread, cakes and other baked goods door to door. In the early 1900's the family moved to Bay Shore, Long Island. Today, over 100 years later, Entenmann's still bakes their famous fresh and delicious sweet baked goods and delivers daily to stores across the USA. To commemorate Entenmann's ties to Long Island, METCA is proud to offer this Entenmann's GP-7 with LionChief+2.0 (dual motors, electro-couplers, smoke, die-cast trucks) along with an NE5 caboose. These two items will nicely bookend all the previously offered Entenmann's rolling stock. You can also order online and pay with your credit card or PayPal.
