

Erie Lackawanna FM Train Master Order Form

Metropolitan Division TCA

Prototype Artwork Shown
actual graphics may vary

After the merger of the Erie Railroad and the Lackawanna Railroad, the new Erie Lackawanna repainted the former DL&W Train Masters into the rare and short-lived black E-L freight scheme. Never made before in O Gauge, this 100% Lionel made and decorated Legacy Fairbanks Morse Train Master (product #2001400) contains all the standard LEGACY System features, including Bluetooth, smoke unit, dual motors, sound system, etc., that Lionel is known for. To confirm specific features, see the Lionel 2020 Volume 1 catalog. **Available exclusively from METCA Division.**

You can order online and pay with your credit card or PayPal. Go to www.METCA.org
