Order NOW – Limited Time Offering

In 1903, William Harley joined with 2 of the Davidson brothers and started making motors to be added to bicycles. Shortly after that, a 3<sup>rd</sup> Davidson brother joined the team and they began offering complete motor-bicycles. When those proved to not be powerful enough, they began offering motorcycles. That was the start of the Harley Davidson Motorcycle company; likely the most famous motorcycle company in the world. Founded in Milwaukee, Wisconsin, Harley and the Davidson's established a world class manufacturing plant on Juneau Avenue, the site of the current day Harley Davidson headquarters. This 100% Lionel made and decorated 6464 sized box car is molded, decorated, and assembled in the USA. The car (2001250) features a stamped metal frame, metal brake wheel and die-cast sprung trucks.
