Ho, Ho, Ho; Merry Christmas ... and a Happy New Year too, while you're at it. Those are the season's greetings shown on this Morristown & Erie Christmas Box Car. The M&E is a short line railroad and it looks like they're delivering presents in this variation of their paint scheme. Santa and his reindeer peeking out from behind the door are adorable. Please make note of Santa's sign, asking, Naughty or Nice? Please be advised that sales of this car are allowed only to people on the Nice list. If you're Naughty, your order will be returned. Hey, Santa has a list and he'll be checking it twice! This 100% Lionel made and decorated 6464 sized box car is molded, decorated, and assembled in the USA. The car (2001202) features a stamped metal frame, metal brake wheel and die-cast sprung trucks. Please, do not delay; order today. You can also order online and pay with your credit card or PayPal.
