Norfolk Naval Shipyard is considered by some to be the backbone of the US Navy's repair and rehabilitation operation. Located in Portsmouth, VA, NNSY can claim many firsts and other accomplishments in the USA's great naval fleet. Four of those noteworthy items are noted in the 4 scenes on this double-sided car and each side exhibits a different version of the shipyards crest. Proudly displayed on the doors is Semper Fortis, which translates to Always Powerful or Always Courageous. This is one car with different graphics on each side; to display or run both sides at the same time, order 2 cars. This 100% Lionel made and decorated 6464 sized box car is molded, decorated, and assembled in the USA. The car (2001220) features a stamped metal frame, metal brake wheel and die-cast sprung trucks.
